

# IMPORTANT MEDICARE & FINAL EXPENSE UPDATE

FOR ILLINOIS RESIDENTS

This is personal announcement to all Illinois residents.

At the beginning of the year, many leading Medicare Supplement insurers **have increased their rates up to 30%** on Medicare Supplement coverage. Based on this, there are now plans available in Illinois to **SUPPLEMENT MEDICARE AT REDUCED RATES** for residents over age 65.

In addition, the current administration **has not changed the \$255 government death benefit**. We are proud to announce a **Senior Final Expense Program** that will pay up to 100% of all funeral expenses not paid by the Government Death Benefit, up to \$20,000 for each person covered.
